Dear Mr. Regan:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The Detailed Summary Page, on Line 18 Column B of your report, discloses \$186,805.92 in transfers from the non-federal account for joint activity for the calendar year. However, Line 21 (a)(ii) Column B of the Detailed Summary Page discloses \$180,945.48 as the non-federal share for joint activity for the calendar year. While the non-federal account is permitted to transfer funds to the federal account for allocable activity, transfers from the non-federal account for amounts greater than the non-federal share of allocable activity represents a subsidization of federal activity with non-federal funds. Please clarify this apparent discrepancy of excessive transfers from the non-federal account to the federal account for joint activity.

The Commission recommends that you immediately transfer the amount received by your federal account which has been transferred in excess of the non-federal share. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to include the total EVENT YEAR-TO-DATE amount for a payment(s) to all payees. Please amend your report to include the missing EVENT YEAR-TO-DATE total(s).
